CATHERINE COLLIER, Ph.D.

of CrossCultural Developmental Education Services

DR. CATHERINE COLLIER has more than 30 years of experience in cross-cultural, bilingual, and special education. She created and directed the Bilingual Special Education Curriculum/Training project (BISECT). She currently works with school districts, departments of education, and community organizations to ensure a high quality of education for ELL and CLD students.

Address the needs of your culturally and linguistically diverse students by learning:

- to meet their needs through the use of Response to Intervention
- to distinguish between differences and disabilities in your English language learners
