

EARN Indiana

Employment Aid Readiness Network

Employer Fact Sheet

EARN Indiana, launching in Summer 2013, revamps the existing state work-study program. Students with financial need will have access to resume-building, experiential, paid internships, while employers receive state matching funds in exchange for hiring these students. EARN Indiana will partner with Indiana InternNet to better match students and employers to maximize each student's academic success and career achievement and to assist employers in finding the perfect fit for their team.

EARN Indiana positions give students professional experience and networking opportunities, readying them for a career after graduation.

Eligibility Criteria

A qualified employer may be:

- An approved college or university
- A unit of state or local government
- A private, not-for-profit organization

In order to receive matching funds, certain minimum standards must be met:

- Internship must provide experiential learning
- Internship must be paid
 - Internship must be at least 8 weeks
 - Intern must work 12 to 19 hours a week during academic year (12 to 40 hours during summer)
 - Intern activities may not be political
 - No more than 25% of intern's work can be administrative in nature.
 - No more than 50% of your workforce may be interns
 - Federal work study funds may not be received for the internship position
