

ANDERSON UNIVERSITY

Office of Work Life Engagement

POSITION ANNOUNCEMENT

- Position:** Tenure-Track Faculty position in Computer Engineering
- Department:** School of Science & Engineering; Department of Physical Sciences & Engineering
- Reports To:** Chair, Department of Physical Sciences & Engineering
- Date Available:** August 2019
- Responsibilities :** In the Fall of 2013 Anderson University accepted its first freshman engineering class. Mechanical Engineering is accredited by the Engineering Accreditation Commission of ABET, <http://www.abet.org>. Electrical Engineering and Computer Engineering are in the final stages of pursuing accreditation from ABET for these programs. Anderson University is seeking candidates for a tenure-track faculty position in Computer Engineering at the professor, associate professor, or assistant professor level beginning August 2019. We are seeking engineers with a distinguished record of teaching, research, and with a heart to serve Christ.

Qualified candidates must have a Ph.D. in Computer Engineering or Electrical Engineering or a closely related field. Candidates in all areas of Electrical and Computer Engineering will be considered, but those with expertise in the following areas are strongly encouraged to apply and will be given highest priority: VLSI, Digital Logic, Embedded Systems, RTOS, Solid state devices.

The ideal candidate will have a passion to partner with current faculty to continue building this exciting new engineering program and share in our vision to train engineers with a heart to serve Christ.

- Application Process:** The university remains closely affiliated with its founding church (Church of God, Anderson) and values its heritage and history. It is expected that all faculty possess a deep, personal, and maturing faith in Jesus Christ.

Qualified and interested candidates should submit a letter of interest, employment application <https://www.anderson.edu/uploads/hr/faculty-application.pdf>, curriculum vitae, and statement of teaching philosophy, statement of research interests (including how their research would be deployed with undergraduate students), and, how one's faith informs teaching, to cwallace@anderson.edu or Dr. Chad Wallace, Dean of the School of Science & Engineering, Anderson University, 1100 E. Fifth Street Anderson, IN 46012-3495

Review of applications begins immediately. For best consideration, materials should be provided by May 15, 2019.

Anderson University is a private Christian university in central Indiana, located near [Money's #1 Best Places to Live in 2017](#) and [Town & Country Magazine's #1 Best Place to Live](#). Anderson University continues to be recognized as one of America's top colleges by U.S. News and World Report, and The Princeton Review. Established in 1917 by the Church of God (Anderson, Ind.), Anderson University offers more than 50 undergraduate majors and graduate programs in business and theology. The University's location in the central part of the state allows easy access to state parks, several boating lakes, and beautiful farmland. The close proximity to Indianapolis, the state's capital, offers a full range of cultural and entertainment amenities.

AU is an equal opportunity employer. Persons who bring diversity are encouraged to apply. Anderson University complies with federal and state requirements for non-discrimination in employment with regard to sex, age, race, color, disability, and national and ethnic origin.
